End of Support Notice

DAP-1325 – N300 Wi-Fi Range Extender

Oct 30, 2025

On December 30, 2025, all revisions of this product model will reach its End of Support (EoS).

After the End of Support date:

- This model will not receive firmware updates, it will not receive device software updates, and it will not receive technical support.
- This model's support information will be archived at https://legacy.us.dlink.com.
- We recommend retiring these products and replacing them with products that receive firmware and device software updates.
